

Bill Walker

An exceptional two-sport athlete at Portage Central in both soccer and basketball where he earned All-State honors in both. As a senior in basketball, Bill was a McDonald's All-American Nominee and the team MVP. While a senior on the Mustang soccer team, Bill earned first team All-State honors. He accepted a 4-year basketball scholarship to Holy Cross where he was a 3-year starter, first team All- League in 1993 and helped to lead the team to an NCAA tournament berth.

Biggest thrill in athletics:

- *Playing one-on-one with Michael Jordan (high school);*
- *Returning from my broken arm junior year and slam dunking on an opponent from Kalamazoo Christian and seeing the joy on my teammate's faces as I ran down the sideline (high school);*
- *Winning a conference championship during conference championship week on ESPN and playing in "March Madness" at the Division I Men's Basketball NCAA tournament in 1993.*
