

JEFFERY DUNN
ATHLETE – CLASS OF 1984

A three sport standout, Jeff was Portage Central's first state champion in wrestling. In wrestling, Jeff earned All-State honors his junior and senior years, while helping the Mustangs to two team conference championships. Known as a hard worker, Jeff set the school career wins record at Portage Central. In football, Jeff earned all-state honors and was team captain. During Jeff's senior year he was able to do one of the rare feats for the Mustangs: be on three conference championship teams: wrestling, football, and track.

Biggest thrill in athletics: being Portage Central's first wrestling state champion, the goal I had set for myself since I was 14.
