

## LISA STOVER CLASS OF 1990

Lisa Stover has the distinction of being one of the most decorated golfers not only at Portage Central high school, but also at Hope College. As a Mustang, she earned all-state honors all four years including a third-place finish her senior year.

At Hope College, Lisa earned All American honors placing fifth at the NCAA's championships and was the MIAA medalist and the MIAA most valuable golfer three years in a row.

Biggest thrill in Athletics: earning All American honors by finishing fifth at the NCAA national championships.
