

MIKE QUINN: SUPPORTER OF ATHLETICS

Recognized as one of those behind the scene individuals that help make athletic programs run smoothly, Mike Quinn has done this without very little fanfare for the past 30 years. Whether it be working the chains at JV football games, running the clock at varsity football or being the time keeper at the basketball games, Mike has continued to contribute to the Mustang programs anyway he can.

A great athlete in his own right at Harper Creek HS, Mike knew he wanted to still be part of high school athletics. For three decades, Mike has definitely continued the Portage Central athletic program attitude: do it right, do it with a smile, go with class.

Biggest thrill in athletics: *“watching players improve from their freshman to their senior year at Portage Central”.*

Portage Central Service

Mike Quinn has dedicated his time and service to the Athletics of Portage Central High School for the past 30 years. From 1986 to 1988, Mike worked the chain markers during football games. From 1988 to 1990 he started running the clock for Freshmen and JV games. Since 1990, Mike has been the clock guy for the Varsity football games, and he is still doing it.

As for Basketball, Mike has been managing the clock for the Girls Program from 1987 to the present. He has been running the clock for the Boys Basketball Program since 1990. And like football, Mike continues to serve both programs with no end in sight.

Mike was quite an athlete himself participating 4 years in Cross Country, Basketball, and Track while a student at Harper Creek High School. As an adult, his passion has been golf. In 1992, Mike won the Kalamazoo City Best Ball Tournament, and for 5 years, he and his brother were extended invitations to play in the very prestigious Kalamazoo Country Club Tournament placing as high as the quarterfinals one year.

It is with great pride that we salute Mike Quinn for the many years of dedicated service and tremendous loyalty he has shown to our school system, parents, coaches, and athletes of Portage Central High School.
