As a two sport standout Sara's greatest success came in softball. In four years "Dew" helped PC to 110 wins on the diamond with her fielding , batting, and leadership skills. 2000 was a star studded year for Sara. She was selected to her third all-conference team, voted #1 shortstop on the All State D I Team, finishing second for the Michigan High School Miss Softball award, and helped her Big League team win the World Championship in Kalamazoo. Her softball success continued at Grand Valley State University. Sara helped GVSU to a spot in the 2002 DII World Series.
