

Theft Prevention Tips:

1. Do not bring electronic devices to school as recommended in the Student handbook.
2. Register your electronic device with the School Resource Officer or on the Portage Public Schools website.
3. If you do bring your electronic device to school, keep the device with you at all times.
4. Take advantage of the engraving service offered through Apple or engrave it yourself. It will make it harder for potential thieves to resell your personalized Ipod.
5. If you store your device in a locker...**LOCK IT UP!!!**
6. If you secure it in your car, make sure it is not in a visible place.
7. If you see a suspicious person(s) hanging around a locker room or students' belongings, report the person to staff.

In the event that your device is missing or stolen, report it IMMEDIATELY to a Police Officer or Staff Member.
