

TIM MOWRY, CLASS OF 2005

In the mid 2000's Tim had the distinction of being one of Portage Central's finest all around athletes, where he excelled in basketball, football and baseball.

Using height and a great work ethic to his advantage, Tim was able to earn All-Conference honors in all three sports, earning a total of nine varsity letters. Tim also showed his leadership abilities by being named team captain in football and basketball. Known for his "leave it on the field" attitude, Tim continued his love of baseball, taking his skills on to Western Michigan University and had an outstanding four year career with the Broncos. After his time in college, Tim signed with the Detroit Tigers.

Greatest thrill in athletics: *"signing a professional contract to play for the Detroit Tigers and becoming a professional athlete and experience everything that went with it".*
