

NICOLE (RIETSCHA) TEMPLETON CLASS OF 1994

Nicole is considered one of the great all-around athletes for Portage Central in the 1990s. Known for her driven competitiveness, Nicole was a great all-event track athlete and holds the four year career for all-time points scored for females. A former record holder in the 100 and 300 meter hurdles, she is currently second all-time in both.

In diving she was a two-time conference champion and still holds the school record for six dives. Also a cheerleader her junior and senior year, Nicole earned the Jean Smith award as Central's top female athlete her senior year

Biggest thrill in Athletics: during my senior year, going into the last round of diving and knowing I needed a great dive, was able to pull it off and win the championship.
