

## Lunch Pass Permission

I give \_\_\_\_\_ permission to leave Portage Central High School during his/her assigned lunch period for the 2018-2019 school year. The cost of this pass is \$5.00 per marking period. Lunch passes must be renewed quarterly. If a sticker is lost or damaged, replacement stickers may be purchased for \$5. (No temporary passes will be issued.)

School rules and policies apply to all Portage Central High School students during their lunch period regardless if classes are on or off campus. Only juniors and seniors who have passed all of their classes and did not have two or more Unexcused Absences, After School Detentions, In-School suspensions, or Out-of-School Suspensions in the previous marking period are eligible to purchase a lunch pass. Parents may also revoke this privilege at any time by calling the Welcome Center (323-5261).

A designated sticker will be placed on Student ID cards, which must be presented to staff on a daily basis. If an ID is not present, the student will be asked to return to the building.
