

## WorkKeys Frequently Asked Questions

- **When is the test?**

All juniors in the state of Michigan will take the WorkKeys test on the Wednesday after we return from Spring Break. Testing will begin promptly at 7:40 am.

- **Does it cost anything to take the WorkKeys test?**

When you take WorkKeys as part of the state testing in spring of your junior year, it is free!

- **Do students have class after testing is done?**

Yes, classes begin for all students with a modified schedule (to be determined).

- **What is the test composed of?**

Workplace Documents (55 minutes)

Applied Math (55 minutes)

15 minute break

Graphic Literacy (55 minutes)

- **What can students bring into the testing room?**

Students need to bring photo ID, a couple of #2 pencils, a calculator, and that's it!

NO electronic devices, NO mechanical pencils or pens or highlighters, NO backpacks or bags, NO reading material, NO food or drink.

- **Do students have to register in advance for the WorkKeys test?**

No, you are automatically registered if you are a student in the 11th grade. However, you will complete some pre-test paperwork several days before testing, and we will call you down from your 11th grade English class to the Community Room.

- **Are we loaning out calculators?**

Yes, we will loan out calculators to our 11th graders, so watch for signs up about how to borrow a calculator for the testing. Please note that we have a limited supply, so if you are able, please plan on using your own calculator. Same calculator requirements as for the SAT.

- **Why the WorkKeys?**

The WorkKeys test is administered by the folks at ACT, and is one part of the Michigan Merit Exam that all juniors in Michigan are required to take. WorkKeys is a career-readiness test to see if students are prepared to go straight to work after high school.

- **When do the scores come in? How do we view them?**

A paper score report for the WorkKeys will come in the mail later in the summer.
