

Dear families:

10 February 2020

The Michigan Department of Education requires all current juniors to take the Michigan Merit Exam (MME), which will be given at Portage Central High School right after Spring Break. The MME is one of Michigan's statewide high-school assessments, and it measures the academic content that every student needs to know to be college- and career-ready upon graduation. PCHS is actively preparing for the administration of this important exam. The MME has three important components:

1. The SAT with Essay, a college-readiness assessment by the College Board, which will be given on Tuesday, April 14, 2020 beginning at 7:40 a.m.
2. The ACT WorkKeys, a career-readiness assessment by ACT, which will be given on Wednesday, April 15, 2020 beginning at 7:40 a.m.
3. The Michigan Student Test of Educational Progress, or M-STEP, an online test that measures student growth regarding Michigan curriculum, which will be given during the week of April 20th, during the school day with no change to the bell schedule.

In addition to the Michigan Merit Exam that our juniors will take, our current freshman and sophomores will be taking the College Board's PSAT assessments also, right after Spring Break. The PSAT is a valuable preparation for the SAT, and it tests over the same skills and knowledge as the SAT but at the 9th and 10th grade levels. Results from the PSAT may also be used to make curricular decisions for students. The PSAT will be given to our freshmen and sophomores as follows:

- 9th graders will take the PSAT 9 on Tuesday, April 14, 2020 beginning at 9:30 a.m.
- 10th graders will take the PSAT 10 on Wednesday, April 15, 2020 beginning at 7:40 a.m.

Attendance and Off-Site Students

In order to graduate from Portage Public Schools, a student must take all components of the Michigan Merit Exam; therefore, every effort should be made to have perfect attendance during this testing window. The same attendance expectation applies for the 9th and 10th grade PSAT assessments as well. *Students enrolled in off-campus programs will be expected to attend all testing sessions at PCHS.* We have notified our off-campus programs, and all agree that a student's home school schedule takes precedence.

Other important details to note

All PPS buses will run on the regular schedule. If your student has to ride the bus on a morning that she or he is not testing, she or he will be required to stay in the Commons, so please bring a book to read. In addition, the only items allowed in the testing rooms on test day are photo ID, pencils, an approved calculator (visit collegeboard.org for list), and a wonderful, well-rested Mustang attitude!

How you can help your student get ready

The best preparation for tests such as the PSAT and the SAT is practice, practice, practice! College Board has partnered with Khan Academy to offer free practice resources to Michigan students for the PSAT and SAT. Students can link their College Board test scores to Khan Academy (satpractice.org) for personalized test practice that will focus on areas that they need help with.

In addition, all juniors participating in our weekly SAT seminars have already linked their accounts and begun this important practice. Encourage them to continue this at home.

***Because of the difference in length for the PSAT 9 and SAT tests, the 9th grade PSAT 9 will not begin until 9:30 a.m. on Tuesday April 14, 2020. 9th graders should plan to arrive in preparation for a 9:30 a.m. test start time, but if they have to ride the morning bus, 9th graders will stay in the PC Commons prior to testing.**

Note: Juniors will also be taking the M-STEP online Michigan tests in Science and Social Studies the week after the SAT, during the week of April 20, 2020. There will be no change in the school schedule during this testing, as juniors will be called down out of class as a group to test in various testing rooms.

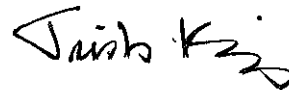

If you have additional questions about the MME or the PSAT, please contact your child's counselor. If you have any questions regarding the testing schedule, please contact Trish King at tking@portageps.org.

Thank you for your cooperation in this important testing and this change to our school day schedule.

In respect,

Eric Alburtus
Principal
