

Senior Memory Ads

This is a great way to honor your senior with your best parental wisdom, advice, well wishes, etc. You can also embarrass them by adding in cute baby pictures from their childhood. Either way, they will be thrilled to see you design a page that is all their own. OR, friends can buy memory ads to show the love for their high school/childhood best friends. Maybe it's a group of students that grew up together on the same street or at the same school. What a great way to commemorate the end of an era.

ALL ADS DUE BY: December 1st, 2019

1. **Anyone** can design a memory ad for their student or friends. Go to the Yearbook icon on the NHS Homepage and click on design/buy a brag page. Be sure to create a username, so if you want to come back to it, you have it saved. You can take as long as you want to design the page (up until the December 1st deadline).
2. Be sure to check your design for errors.
3. If you do not feel like designing the page, let us do the work for you. Send us the photos and messages you'd like on the ad, and we will design it for you. Contact Ms. Wangler for more questions at lwangler@portageps.org
