NMS Building Tours

NMS will be hosting building tours on Wednesday, January 20th, for our students that will be in the building starting the second semester. This tour is optional, but we want to help students orient themselves and have the opportunity to prepare for the first day of face to face. **The tours will be limited to students that are coming into the building on January 25th for Face-to-Face HyFlex Instruction in classrooms.**

Students should have their Skyward Schedule with them so they can locate their classrooms during this tour. Be sure to wear a mask. We will be providing our students with a map of the building when they arrive.

This is a student only tour, parents are not allowed to be in the building. We ask parents to please stay in the parking lot as students will be able to walk through the building, and then leave after that. After we welcome the students they will go to the cafeteria to practice being socially distant during lunches. Then they will get a brief building tour to locate their classes.

The tour schedule for Wednesday, 1/20 is as follows:

- **6th Graders, 12:00-12:30 pm**
- **7th Graders, 1:00-1:30 pm**
- **8th Graders, 2:00-2:30 pm**

We hope these building tours will help students feel more comfortable with their start of 3rd Quarter Face-to-Face learning.
